

PRESS RELEASE

ATR at the India Aviation 2016

Toulouse, 14 March 2016 - The world's leading regional aircraft manufacturer, ATR, will attend the India Aviation Exhibition 2016, held at the Begumpet Airport, Hyderabad, India on 16th to 20th March. Visitors will be welcomed at Stand n°1 – Hall A.

ATR are the best-selling regional aircraft in the below-90-seat segment, representing 77% of world's regional turboprop aircraft sales.

India, one of the fastest growing markets for airline services, has always been and will remain a strategic long-term partner for ATR. Today, nearly 40 ATR aircraft operate in the colors of Indian carriers, and this number continues to grow. Featuring the most modern technology and highest standards of passenger comfort in the regional aircraft segment, ATR aircraft have proven to be the optimal choice for regional air connectivity across the country.

Proximity is key in maintaining strong relationships with customers, which is why ATR has considerably increased its global footprint in the region in recent years. The ATR Customer Support (AICS) team in Bangalore provides its operators with counsel and 24/7 assistance. ATR has representative offices in Singapore, Beijing and Tokyo. A comprehensive range of training courses for pilots and maintenance technicians is offered at ATR training facilities in Singapore and Bangkok. ATR has warehouses in Singapore, Kuala Lumpur and Auckland.

About ATR:

Founded in 1981, ATR is the world leader on the market for regional aircraft with 90 seats or less. Since its creation, ATR has sold over 1,500 aircraft. With over 28 million flights, ATR models equip the fleets of over 200 airlines in nearly 100 countries. ATR is an equal partnership between two major European aeronautics players, the Airbus Group and Finmeccanica. Its head office is in Toulouse. ATR is ISO 14001 certified.
